## **Micompro Expands Team**

**London, ON, May 16, 2007 - - For Immediate Release**

Micompro Ltd. is pleased to announce the hiring of Robert Dykeman as Customer Service Representative, effective May 16, 2007. He will provide network support, technical support, hardware configuration and PartsHandler customer service for Micompro.

“Meeting and exceeding our customer needs is our main priority,” said David Geoffrey, President of Micompro. “By adding to our team we are better positioned to offer greater support in all areas and in particular to further our customer service and support department, these areas are key to the PartsHandler product.”

Mr. Dykeman comes to Micompro as a graduate of Fanshawe College’s three year Computer Systems Technology program. This program will provide Mr Dykeman with a sound foundation and will allow him to become an integral component of Micompro’s customer support strategy. Micompro is now positioned to allow transition of resources into further developing the PartsHandler product which is a key component to the product’s growth and development.

Micompro is a Software Developer, established in 1990, specializing in the Distribution Industry with customers across Canada and the United States with the majority of customers in the automotive distribution after market.
